

# WEEK 2

## SMALL GROUP GUIDE

### **BIG IDEA**

God gives extraordinary strength.

### **THE BIBLE**

**Joshua and Jericho:** Joshua 6;  
(Joshua 1:9)

## **QUESTIONS**

- How many priests were supposed to have trumpets?
- How many days did God tell Joshua to have them walk around the city walls?
- How many times did they walk around the city walls on the last day?
- What do you think is special about the number seven? Do you think the walls would have fallen if the Israelites had only walked around the city walls for one day?
- Why was Rahab spared from the destruction of Jericho?
- Read Joshua 1:9. Was there a time when you needed to be strong and courageous?
- What does it mean to have God's strength?

## **ACTIVITY**

See if the kids can build a LEGO set without the instructions and/or picture. After time is up, ask them to deconstruct it all, and then give them the instructions and/or picture and try again.

It can be frustrating when you don't know what you need to do to achieve a certain goal. But God always has the whole picture, and like Joshua, all we have to do is obey!
